

Probably the World's Best Pizza™

In our quest to build the **ULTIMATE PIZZA**, we put our heads together to figure out just what makes food taste “good.” Turns out, it comes down to contrast and balance of flavors and textures. We tossed around different ideas & ingredients until we had the perfect pizza which we now call “**The TWIST.**” The result is a perfectly balanced combination of crispy & chewy, sweet & hot, tangy & savory, creamy & tart, cool and warm in every bite. Try one and see why it was **VOTED TOP 3 IN THE NATION** by *Pizza Today Magazine*, **BACK-TO-BACK TOP 10 PIZZAS** in Michigan and Winner of the **2010 TASTE OF MUSKEGON BEST DISH.**

The **TWIST** has a secret sauce covered with our cheese blend, breaded chicken chunks & bacon strips. Topped with a cold mix of with fresh pineapple, tomato, yellow & jalapeño pepper, and homemade ranch after baking.
